GREAT CLASS

My name is Abdullah . I am nine years old. I am a student. I love my school. My class name is 4/B. My class is very nice. The whiteboard, map and boards in my classroom are beautiful. I'm a little forgetful boy. Sometimes I forget my book, sometimes my notebook and sometimes my red pen but I study hard for my lessons. My friends and I love playing football. My friends call me Turkish Messi. We are a great team. Our goalkeeper is panther Eymen. Defenders are "Duvar Vedat" and Yavuz. Our forwards are Tunahan and İbrahim. My class both does sports very well and studies a lot. All my friends follow the class rules. We keep our classroom clean. We clean our desks and tables ourselves. Because we are a great class
